Assistant Director, OSI

Assistant Director, ORE

Proposal for Coordination of Effort in Matters Related to NIS Production.

REFERENCE: ~~Memorandum~~ Memorandum of the Assistant Director, OSI, 11 January 1950, subject as above.

1. It appears that action regarding the proposal set forth in the above-cited reference should be predicated upon findings arrived at in working-level discussion among the parties which would be directly involved in the project.

2. The responsibility for producing NIS Sections 23 (Weather and Climate) has been allocated to the Joint Meteorological Committee and that for producing NIS Sections 21 (Oceanography) to the Navy (U. S. Hydrographic Office).

3. It is recommended, therefore, that you consult the following with a view to arranging conferences regarding the proposal:

Meteorology

Major R. L. Sorey, Secretary
Joint Meteorological Committee
Room 2-D-889-A, The Pentagon
Code 131 - Ext. 74629

Oceanography

Captain A. Hobbs, The Hydrographer
U. S. Navy

or

Captain J. F. Walsh, Deputy Hydrographer
U. S. Navy
U. S. Hydrographic Office
Suitland, Maryland
Code 153 - Ext. 29

4. Notification of the final results of any such conferences held would be of interest to this Office.
